About the SCTP Program

The Scholastic Clay Target Program (SCTP) is the 'Little League' for the shotgun shooting sports. Established by the National Shooting Sports Foundation our mission is to introduce school age children to the clay target sports and to facilitate their continued involvement. Here in Reno, the Silver State Clay Breaker's is an athletic organization established to provide direction, coaching and support to the young athletes in the Truckee Meadows. The SCTP is designed to instill in young people a set of personal values or character traits for fair play, compassionate understanding, individual responsibility, sportsmanship, self-discipline and personal commitment - qualities that will serve them well throughout their lives and will be instrumental in helping each SCTP Athlete to reach his/her full potential.

Our trained coaches provide instruction to our team members, instilling the fundamental elements of shooting a shotgun, including gun safety as well as proper technique to hit a moving target. Youth from the elementary grades through high school are eligible to participate in a safe, educational, and enjoyable clay target sports of Trap, Skeet and Sporting Clays.

Young athletes are divided into three basic teams based upon their grade level at school. The 'Rookie Division' is for students in 5th Grade and under. The 'Intermediate Division' is for 6th—8th Graders while the 'Senior Division' is for 9th-12th Grade students. The Intermediate and Senior Divisions are further categorized by their experience levels. In this manner a shooter with four or five years of experiences would not be in direct competition with a shooter with no previous shooting experience. The shooting sports are not gender biased. Young ladies compete against the boys.

SCTP Nevada wide Program

In addition to our program here in Reno, shotgun clubs in Carson City, Portola, Fallon, Yerington, Winnemucca, Elko and Las Vegas also offer junior shooting programs.

Our practice schedule is planned with the intent of having our shooters both eligible and prepared to compete in the annual 'Nevada State Championship Tournament' which will be held at the Fallon Gun Club, on June 18th.
