Skeet League!

This is a 10-week league, shot on Wednesdays. 100-targets per week. You may choose to register targets with NSSA but it is not a requirement of the league. Awards given to winning teams at the conclusion of the 10-week league.

League format is 2-man teams. Handicap targets are awarded to each team based upon previous weeks results. The key to success is a steady progression each week; do just a little better than the previous week! Not too fast, steady and consistent!

Shooters take to the fields in four different rotations, Noon, 2:00, 4:00 and 6:00 pm. You choose your rotation, arrive a half hour early to provide yourself plenty of time to register.

Feel free to hang around the club house every Wednesday evenings after shooting for the best \$10 Steak Dinner in town and plenty of libations!

Talk to your buddies, get them organized, you don't want to miss this. It's a great time!
